N. G. Pappas  
Chairman  
By Order of the Board

### SPECIAL RESOLUTIONS

The Board of Directors of the Company propose the following Special Resolutions to amend the Constitution of the Company, and recommend the adoption thereof.

To consider and, if thought fit, pass the following resolution as a special resolution:

That the amendments to the constitution tabled at the meeting, and for the purposes of identification signed by the Chairman of the meeting, be adopted and the current constitution of the Company be amended accordingly.

### NOTES TO MEMBERS

1. The Directors have considered the current provisions of the Constitution relating to membership and believe that it is appropriate to change the membership which currently runs for 12 months from 1 November, to a 12 month period commencing on 1 January in each year. This change is being proposed to enable the Members to be provided with a further two (2) months to receive appropriate Membership collateral from the Football Club that will reflect the results of the season passed, whilst aligning the membership year with that of the South Sydney Leagues Club. This is considered important under the 'one club membership philosophy' between the Football Club, the Leagues Club and Member Co. For the current membership year which runs from 1 November 2007, the change will mean that the membership year will be extended by 2 months and end on 31 December 2008. No extra membership fee will be sought from members in relation to this extension.

2. The Directors also believe that a minimum age of 18 should apply to membership, and the proposed amendments also effect this change, with the effective date being from the expiration of the 2008 membership year. A minimum age is considered desirable as this age is consistent with that of the South Sydney Leagues Club, and under the joint 'one club membership philosophy', creates consistency and efficiency for the administration of such memberships. It is noted that all memberships held by those members under the age of 18 years will be honoured for the 2008 year.

Subject to the above no other changes to the Constitution are proposed. A copy of the proposed amendments are available for review at the Club's offices, being 104 George Street Redfern, or by contacting Membership Services on (02) 8306 9953 or email on membership@souths.com.au.

### NOTES FOR CANDIDATES FOR THE BOARD OF DIRECTORS

As stated in the Notice, nominations for the Board of Directors must be received by the Secretary's representative no later than 5pm on Friday 29 February 2008.

The Club will immediately post a register of all nominees, and proposers, for the position of Director on the Club's notice board upon the collation of all nominations.

### PROXY VOTING

The relevant laws governing Proxy Voting are contained within the Corporations Law. The provision of proxy voting is mandatory for public companies, unless the company is a registered (licensed) club.

The legislation provides that for a proxy's appointment to be valid, the Member must forward the proxy's appointment to the company at least 48 hours before the meeting. Accordingly, to ensure the validity of a proxy vote, the proxy must be delivered to the Returning Officer (care of the Club) by 9.30am on Friday 14 March 2008.

There are certain procedures for proxy voting that need to be adhered to strictly to ensure the validity of the proxy, including:

- The proxy form must be signed and dated by the member including name, address, and membership number;
- The proxy must be eligible to be a proxy;
- The member giving the proxy must be entitled to vote;
- Proof of identity of the proxy holder must be provided (a certified copy will suffice);
- Where the proxy has signed under a power of attorney, the power, or a certified copy thereof, must also be lodged;
- Proxy documentation may be received by post, hand, or facsimile at the company's registered office; and
- A separate voting paper will be issued and completed for each proxy received.

## Chairman's Report

I concluded my last report to Members with the following words:-

*2007 promises to be a year that we can look forward to with some optimism. It should hopefully be a time when we can all start to reap some of the rewards for many years of perseverance and even occasional pain.*

Some twelve months later, even the most hardened cynic would have to agree that 2007 was a year of considerable achievement for our Club. Our first semi-final appearance since 1989 capped off a year in which many positive strides were taken, both on and off the field, to transform the Rabbitohs into a dynamic and leading force in the Australian sporting landscape.

As I write this report, the Club is set to announce a historic ten year deal with ANZ Stadium that will redefine the basis upon which sporting clubs negotiate the terms of their game day venue hire. With the Club now drawing upon committed support from across Sydney, from other states and territories and even from abroad, it deserves the best in terms of stadia and the best stadium in Australia is undoubtedly ANZ Stadium. And it is the best not only in terms of the facilities it offers, but also in terms of the commercial benefits that it returns to our Club.

In terms of our squad, we are confident of even greater on-field success this year and we are delighted that our Head Coach, Jason Taylor, has committed himself to the Club and the team he leads for another two years. With a highly skilled coaching team around him, Jason is well armed to build upon last year's success and make our Centenary Year something to look forward to.

So much has occurred in the last twelve months beyond the playing field that it is hard to summarise these achievements in one report. The Football Club's historic acquisition of the freehold of the Leagues Club site in partnership with the Trivest group was a deal that at last consolidated the assets of the Rabbitohs family under one roof and will enable the Football Club to derive significant benefits in the future. As we all know, the result will be an entirely remodelled

Leagues Club building that will provide a profitable return to the Football Club through the tenancies that are currently being negotiated. As part of this, our Leagues Club will see its own regeneration and will become an inspiring model for a new, poker-machine free, club environment that has already been so enthusiastically received by the public.

Hand in hand with these significant developments, is the work that is well underway to transform Redfern Oval into a state of the art training precinct that will serve our Club for decades to come and will ensure that our heartland forever remains in Redfern.

As if these initiatives were not enough, the establishment and growth of Souths Cares as a dynamic component of our business is, again, setting new benchmarks in sport. While sporting organizations have traditionally sought handouts to sustain their operations, here we have our very own charity assisting those in need, with a special emphasis on our indigenous communities to whom our Club owes such a debt of gratitude.

In listing these achievements, I cannot but reflect back to the difficult years we all experienced after our reinstatement in 2002 and the significant efforts made by many to see true change brought to our Club to ensure its long term prosperity. The partnership between our Members and Peter Holmes à Court and Russell Crowe has delivered outstanding results, both on and off the field, in a very short period of time. Within an eighteen month period, we have seen our Club propelled to the forefront of innovative thinking and dynamic leadership and for this we all owe a huge debt of gratitude to Peter and Russell, both of whom have demonstrated a commitment to the success of our Club that has exceeded everyone's expectations.

From the Member Co. perspective, the financial results enclosed with this report are encouraging. Importantly, the Football Club saw its revenues rise by over 37%. Not surprisingly, in a year when there was considerable one off expenditure, the Football Club's outflows exceeded its revenues by some \$2.7 million. This is, in fact, a better result than we expected,

and it is envisaged that 2008 will see a significant shift towards more of a break even position as the benefits of these one-off outflows are realised.

Of course, under the terms of our arrangement with the majority shareholders, Member Co, as the custodian of the core values of our Club, is only obliged to recognise losses of the Football Club to the extent of its net assets and nothing more. In other words, Member Co. can never have a deficiency in Members funds and this ensures that it endures so as to fulfil its charter of preserving those core values.

I know I speak on behalf of my fellow director Ray Martin when I say that it has been a pleasure and a privilege for the two of us to serve on the Football Club board as representatives of the Members. The sense of common purpose among the directors of the Football Club has been inspiring and our sessions have been both creative and productive. There is still a great deal to do, but the Football Club is now on a very solid footing in terms of its leadership and vision.

In closing, I thank my fellow Member Co. directors Jim Hatfield, Nick Hatzistergos, Ray Martin and Ken Stewart for the time they have given to Member Co. over the last twelve months. While the Member Co. board meets less frequently than the Football Club board, each one of my fellow Member Co. directors has demonstrated a commitment outside the boardroom to the new vision for our Club while at the same time remaining vigilant to ensure that it never departs from its traditional values.

As we enter our Centenary Year full of expectation and optimism, we should all be thankful that our hard work has at last started to deliver the results we have long hoped for. With everyone's support, I am confident that we are on the cusp of a new golden era for the Rabbitohs.

With best wishes

Nicholas Pappas  
Chairman, Member Co.

## South Sydney District Rugby League Football Club Limited

### THE BEGINNING.....

South Sydney District Rugby League Football Club was formed at a public meeting held at Redfern Town Hall on 17 January 1908.

On March 5, 1908, the NSW Rugby League issued the Club its receipt No. 2 for their £ -1 - 1 - 0 affiliation fee.

The Club's first premiership match, also the first in the NSWRL competition, was played at Birchgrove Oval on Easter Monday, 20 April 1908. Souths defeated North Sydney 11-7. Winger Tommy Anderson scored Souths first try, with others added during the historic game by forwards Dick Green and Harold Butler, who also kicked a goal.

The Club was incorporated as a company limited by guarantee at a Special General Meeting on 13 June 1982.

The rebirth of the Rabbitohs began on 7 June, 2006 through a new partnership between Russell Crowe, Peter Holmes à Court and the 8000 Members of the Club. The voting Members of the Football Club voted by a 75.8% majority to convert the Club from a company limited by guarantee to a company limited by shares at an Extraordinary General Meeting held on 19 March 2006.

### OUTSTANDING SEASONS

**1925:** Won the first, reserve and third grade premierships and City Cup. First grade was undefeated in its 12 matches – the first and still the only team to win every game in a season.

**1953:** Won the first and reserve grade premierships, Club Championship and President's Cup (then the only interdistrict junior competition). Runner – up in third grade, losing 11-9, after playing extra time.
